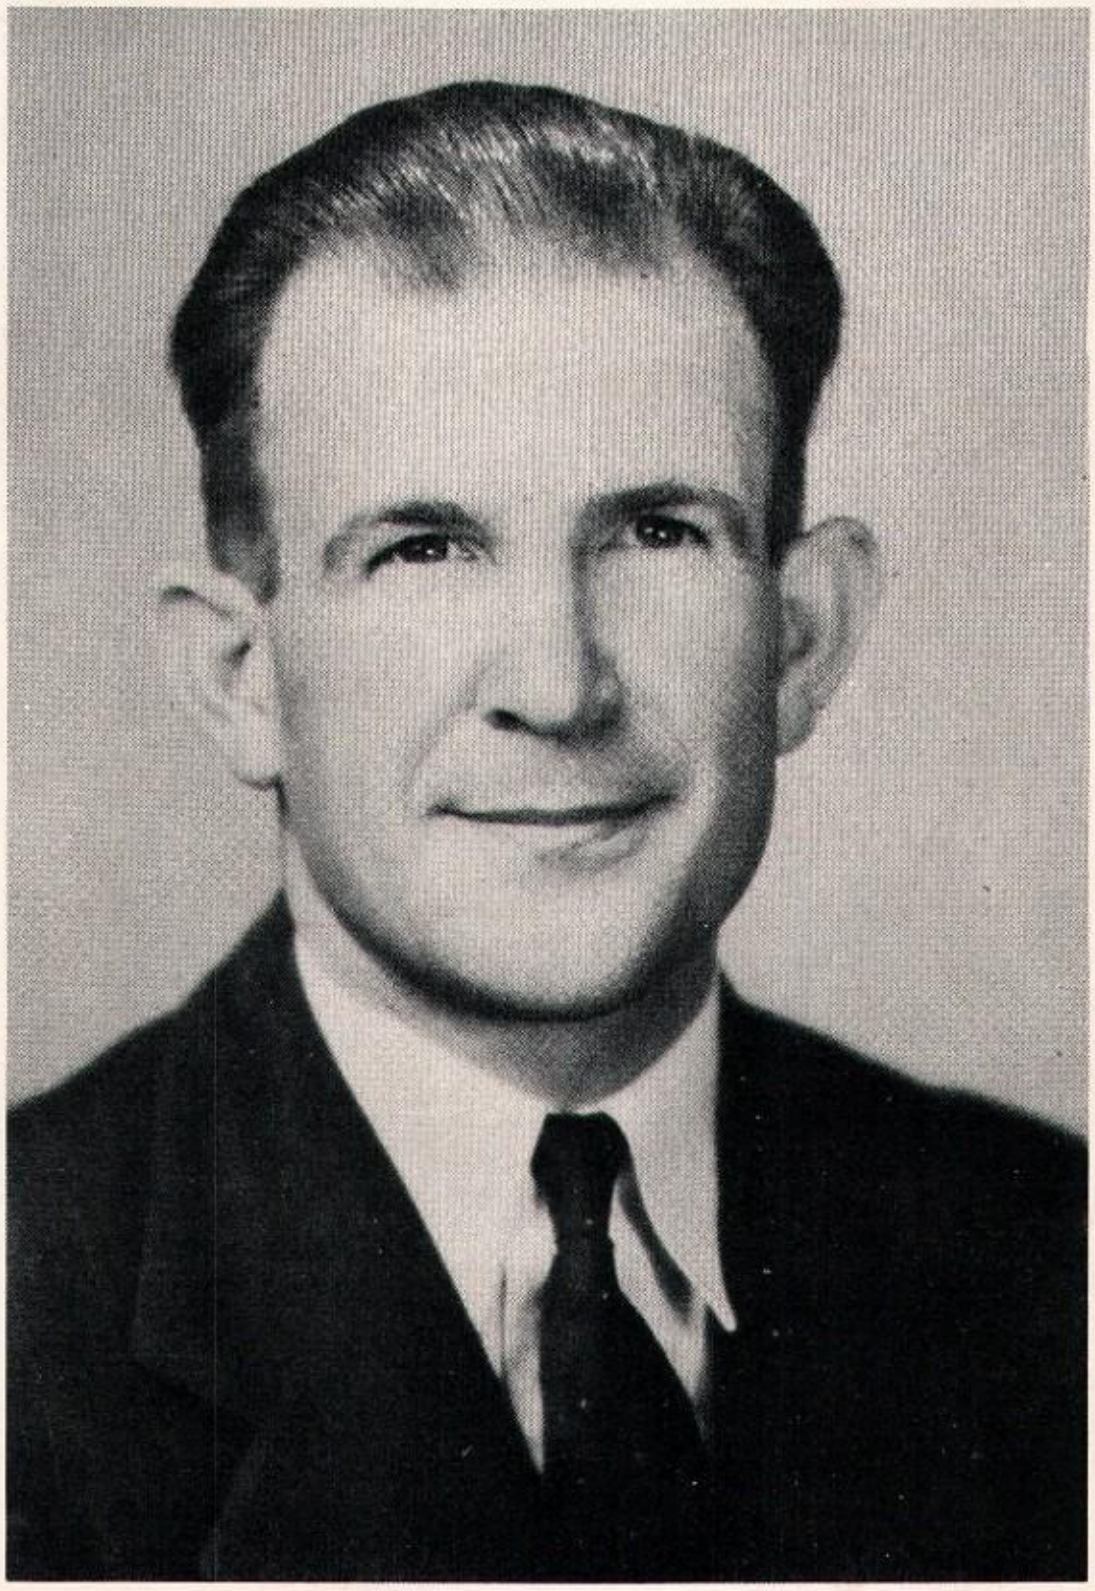
IN RECOGNITION . . . .



. . . . . of the devotion of Mr. Weber to services for our advantage, we dedicate this page. It can be but a small token of the appreciation we hold for him.

MARCH OF TIME . . . .

The purpose of this annual is to portray as accurately as possible the manner in which we have spent our last year at Gresham High School. But before we proceed, let us take a glance into the past at the lives of our predecessors at this school.

The school board voted in 1903 to teach high school subjects for the first time in Gresham. In the initial years, Gresham High consisted only of two rooms in the grade school. However, in 1915, the several surrounding school districts were consolidated and a high school building constructed on the present site. Through the years there have been many alterations to the original building and in 1940, it was completely rebuilt to make the school as it now stands.

As the history of the building goes, so too goes that of school life. At first high school was very simple. Only the basic subjects were taught and in actuality was only an extension of grade school. However, with the advent of a new building, things began to look better. More teachers were hired, facilitating the teaching of many new subjects and formation of clubs. As the school life became more complex more opportunities were presented for extra-curricular activities and social functions. In time, certain traditions were established which hold today, such as Alumni day at Christmas time and the Junior-Senior Prom. We are indeed fortunate to live in such a time as to have all the advantages of a well rounded education.

However, there is always room for advancement. Plans are now being contemplated for additions to the building and grounds. And as the building progresses, in like manner we shall develop more clubs and activities to offer a diversified schedule for the many students of Gresham High. May it be our duty to establish statutes and precedents to be adhered to by all to come in the better years ahead.

The year has been rather turbulent for the student government what with the frequent changing of officers. Early in the year Chuck Vawter was elected to replace Marvin Ogle as vice-president and at beginning of second semester, Dick Ham was elected to replace Melvin Odell as student president.

Of the duties of the student council, that of choosing two competing candidates from the nominated five is the most important. This year Glen Keltner and Bill Gregg were the final competitors for student prexy.

Other subsidiary acts were: authorizing the buying of a score board for the gym; and provision for the editing of a football souvenir program.

BOARD OF DIRECTORS . . . .

W. C. LAWRENCE

The duties of the board of directors, as the name implies, are to secure funds and to direct their expenditure. These duties include hiring teachers, budgeting the cost of the school's operation, and improving the school in every way possible. A good example of this last duty and an illustration of their interest in the students and their activities is the presentation of the electric score board to the school during basketball season.

Mr. W. C. Lawrence, the board's chairman, has established a record unequaled in the state of Oregon for his efficient leadership through 28 years of commendable service.

Mr. A. W. Metzger, after 14 years of membership on the board, resigned June 30, 1945. The vacancy was filled by Mr. E. G. "Al" Larson.

Senior Class History

As we leave Gresham our thoughts return, as though it were yesterday, to that memorable fall day in '42 when we entered the portals of "Ye Olde Institution".

Like all the other green frosh classes our first high school experience was the choosing of our class officers. They were: Kenneth Strand, president; John Sullivan, vice-president; Lavon Williams, secretary; Fred Owens, sergeant-at-arms; and Arlene Harris and Doyle French, council members. Mrs. Deutschman Schulz was our very able adviser, who guided us through our only important activity of the year, the Frosh Frolic.

We launched into our sophomore year quite familiar with high school procedure. At the helm was Jerry Bowder, president, and crew consisting of: Fred Owens, vice-president; Georgene Wills, secretary; Dean Metzger, sergeant-at-arms; and Arlene Harris and Don Fancher, council members. June Gilpin replaced Arlene Harris, who moved during the year. Under the guidance of Miss Larsen as class adviser, our main activity of the year was our class party on March 17, honoring St. Patrick's day.

Beginning our third year as upper classmen, we were under the leadership of Burnell Ambrose as president; Fred Owens, vice-president; Georgetta Duerst, secretary; Floyd Standifer, sergeant-at-arms; and June Gilpin and Jerry Bowder, council members. Under the direction of Miss Machen we produced our class play, "Janie"; and, with Mrs. Larsen Deusner advising, sponsored the annual "Basket Ball". The climax of the year was the very successful Junior-Senior Prom with the theme of a southern plantation.

We will always cherish the memories of our fourth and final year, not only for the outstanding activities we enjoyed, but because it was our only year in time of peace. Our senior class officers were: Floyd Tarpenning, president; Floyd Standifer, vice-president; Shirley Meeker, secretary; Fred Owens, sergeant-at-arms; and Jean McFarlane and Jerry Bowder, council members. Mrs. Deusner has guided us safely and successfully through this last year, and to her we owe a multitude of thanks. We produced as our senior class play, "The Daffy Dills", directed by Mrs. Deusner. As the senior class we naturally participated in numerous other extra curricular activities, highlighted by the Junior-Senior Prom and Senior Banquet. The Senior Banquet being held this year the first time since '42.

We've learned a great deal and we've had much fun learning but as we leave these halls we are taking with us an impression that will never fade away. It was here that we started in earnest to build the firm foundation on which we will build our lives and on which the future peace and security of the world depends. Each of us will continue to build on his own foundation; some will go on for more academic training and some will patronize life's own school, that of experience. But wherever we go we will always carry a warm memory of our high school days, for they are truly an experience to cherish.

The members of the Junior class assumed an air of superiority as they moved to the lower halls and took up their roles as upper classmen.

However, as they progress, so too their responsibilities are greater. Their ability to meet these was shown in their three-act version of "Junior Miss", a comedy made popular by motion pictures. Also the "Basket-Ball" honoring our '46 basketball team, was sponsored by the Junior class. But the grand finale was yet to come. The event anticipated and long remembered by all upper class students—the Junior-Senior Prom. The responsibility of this great event lies partially in the hands of the Junior class.

This last mentioned function was the climax of a long list of activities, in all of which the versatility of the guidance of their adviser, Miss Henderson, who took Miss Palmer's place, and of the leadership of their able president, Glen Keltner is proven. Assisting Glen in his duties were the following class officers: Dale Jolly, vice-president; Wilma Self, secretary; Wilda Self, sergeant-at-arms; Howard Moen, boy council member; Dorothy Taylor, girl council member; and Mary Lou Shelley, Girls' League representative.

The Sophomore class took command in the upper halls as usual. However, their period of authority is short lived, for they shall move to the lower halls and join the ranks again next year.

The Sophomore class has taken an active part in nearly all school functions and a large part of the rally and pep teams were comprised of this class.

Their main social event of the year was the Sophomore party with the St. Patrick theme. It was carried out with all the pomp and ceremony of the previous years.

The class president was Bob Nottingham, and his officers: Harold Sipe, vice-president; Joan De Young, secretary; Larry Danilson, sergeant-at-arms; Dick Foreman, boy council member; Bobby Jo Smithey, girl council member; and Helen Benda, Girls' League representative.

Their class adviser, Miss Hiatt, discontinued teaching at mid term. The position was filled by the able hands of Mrs. Bartholomew.

This year's Freshman class is distinctive in that it will be the first for a period of years to receive their high school education completely free from war worries. It will be theirs to assure the next generation of a similar opportunity.

Evidence that progressive citizens are in the making is shown by the fact that several new ideas were carried out in the annual Freshman party under the leadership of Bob Rier, class president, aided by his officers: John Camp, vice-president; Diana Graves, secretary; Jack Cooper, sergeant-at-arms; Ray Nelson, boy council member; Dorothy Vincent, girl council member; and Marcella Tarpenning, Girls' League representative.

Also launching a new career at Gresham is Miss Casterline, Freshman class adviser, who came here upon graduating from the University of Oregon.

Munhinotu Staff

To give the owner an individualistic year book has been the goal of this year's staff. With the addition of a few new ideas and the generally "aspirin inducing" work that goes with editing, we have attempted to give you a book that Gresham will be proud of.

Deserving none too little credit is our adviser and budgetor, Mr. Saverude. His timely advice and helpful hints were of much value. We also wish to thank Logan Markham, photographers, and The Irwin-Hodson Co., printers, for their splendid co-operation and service.

Argus

With Dorothy Keltner as its capable editor and with the addition of several new features, this year's Argust has proven to be an asset to the school. The new double headlines and sub-headlines have helped to stress the importance of news such as the government drives. Mrs. Jones, editorial adviser, and Mrs. Bloomquist, production staff adviser, played strong roles in making the Argus a better written paper. Mr. Stabler took Mrs. Bloomquist's place when she left at the beginning of the second semester.

This year's editorial staff consisted of: Dorothy Keltner, editor; LaVerne Shuholm, front page manager; Floyd Standifer and Jeanne Hanley, club reporters; Richard Rayburn and Margret Shattuck, editorial writers; Norman Prihar and Bill Gregg, sports reporters; and Pat Miller, feature page writer.

Tri-Y Club

This past year has been a very profitable one for the Tri-Y. Its success was due to the capable leadership of the president, Shirley Dobbs, and the cooperation of the other officers. The club extends its gratitude also to the advisers, Miss Gibbs and Miss Crook, for their cooperation and helpful advice.

The social functions of the term consisted of a picnic in the fall, March of Dimes dance, hot dog sale, and the Print and Cord dance. The club also sent representatives to Eugene for the Girl Reserve conference.

The officers of the year were: Shirley Dobbs, president; Dorothy Taylor, vice-president; LaVerne Shuholm, secretary; Vivienne Hannah, treasurer; Erma Gradin, sergeant-at-arms; Donna Lofgren, pianist; Ardis Nelson, roll call chairman; Jessie McDonald, Girls' League representative; Marjorie Berglund, program chairman; Marlene McAfee, social chairman; Lucille McCreary, ring chairman; Echo Walin, camp chairman; Shirley Jacobs, song leader; Marguerite Erdman, reporter; Lois Zenger, service chairman; Shirley Meeker, World Fellowship chairman; Dorothy McWilliams, inter-club representative.

Hi-Y

To be of real and lasting service to their fellow men has been the chief purpose of the Gresham Hi-Y Club. This year under the able supervision of its adviser, Mr. Shattuck, who has completed another successful year of guidance, the chapter has done a fine job in this endeavor.

In this especially challenging year, the boys gained outstanding merit by becoming the first of the Portland Area Clubs to contribute to the Y. M. C. A. World Service Organization, a program to which they gave one hundred dollars. Another effort of much note was the collecting of clothing for Europe's oppressed peoples.

Officers for the year were: Howard Moen, president; Jim Brugger, vice-president; Richard Rayburn, secretary; Jack Lewis, treasurer; Tom Morgan and Harold Sipe, chaplains.

Home Economics Club

With Miss Ward and Miss Surface as their helpful advisers, the Home Economics Club again completed a successful year of work. The members enjoyed many activities this year, including a hot dog sale, a joint skate with the F. F. A. Club, serving at the F. F. A. banquet, the Spring Style Show, and a Mother and Daughter Tea. They also participated in district and state meetings held at Sandy and Albany, respectively.

This year's officers were as follows: Natalie Griffiths, president; Ardis Nelson, vice-president; Georgene Wills, secretary; Georgetta Duerst, treasurer; Virginia Wion, reporter; Dorothy McWilliams, historian; Jean Raney, custodian; Selma Hendrickson, Girls' League representative; Betty Weber, song leader; and Lucille Gradin, pianist.

F. F. A.

Entering into practical farming operations with two new tractors and equipment, the Gresham Future Farmers have been making things hum around the Ag. shop. The annual father and son banquet was held in November with Mr. W. C. Lawrence and Mr. C. C. Miller receiving honorary membership. The club officers added to the laurels by winning the district Parliamentary Procedure contest. Holding a skating party with the Home Ec. girls, entering the district Public Speaking contest, assisting the U. S. Department of Agriculture in collecting samples of certified seed potatoes, setting the posts for the fence north of the football field, and assisting with livestock sales, were a few of the many activities that made this a very successful year. Officers of the year were: Virgil Montecucco, president; Arnold Kehrli, vice-president Fred Karlan, secretary; Frank McVitty, treasurer; Roy Swarens, reporter; Louis Nederhiser, sentinel; and Albert McKay, adviser.

G. A. A.

G. A. A. is the largest club in our school. Its membership is made up of girls who are interested in athletic activities. The program this year under the leadership of Bonnie Paulsen was highlighted by the Football Dance.

Under the direction of Mrs. Dorothy Craven, a host of activities have been sponsored. Hiking, swimming, dancing, and skiing parties were arranged. Tennis, badminton, and basketball tournaments were played. A membership pin was adopted this year.

The club's activities are directed by the G. A. A. Council. Members are: Bonnie Paulsen, president; Margrett Bingham, vice-president; Grace Bingham, secretary; Diane Paulsen, treasurer; Ann Klatt, sergeant-at-arms. There are managers for each sport, who direct the club's activities.

Letterman's Club

With Coaches Bartholomew and Leupp as their advisers, the Gopher Club has concluded another fine years of keeping the school and its grounds in good condition. They deserve much appreciation.

The club is made up of boys who have earned letters in school sports. The officers were as follows: Ray Easterbrooks, president; M. Lemon, secretary; D. Metzger, sergeant-at-arms.

Girls' Gymnasium Activities

Under the competent supervision of Mrs. Craven, the girls have completed another successful year of diversified gymnastic activities.

The tumbling team (above) is to be lauded for their exhibitions at basketball games, assemblies, and at the Gymkanna. Their tireless efforts are with a definite reward in mind—to receive a "T" for their first three performances, a second "T" for their next two, and finally a "G" for eight performances. These letters constitute the abbreviation for "Gresham Tumbling Team".

The majorette group (below), who always offer an added attraction at the football games, basketball games, and at the Gymkanna, also have an incentive for fine performance. Every year four girls are chosen from their ranks who are to lead the band at games and parades. This year the four band majorettes were: Ardis Nelson (first majorette), D. McKillip, B. Gresli, and E. Gradin.

The Gymkanna was undoubtedly the largest project ever to be undertaken at Gresham. There were 400 participants, most of whom were bedecked in hand-made costumes. The program was based on the seasons of the year. A capacity crowd of 1015 was present to witness the many colorful acts, including: skilled skating team; majorette drill; tumbling; calisthenics; and a Raggedy Ann dance. A basketball tournament between the classes concluded the show.

Mixed Glee

For the first time since 1943, Gresham High again boasts a mixed glee club. Although organized during the second semester of this year, the chorus under the direction of Miss Babler has shown amazing polish. The mixed glee furnished music for the Gymkanna, but the most ambitious of the club's projects was the operetta, "Oh Doctor". The first operetta in many years. The time and effort spent in producing it were fully repaid.

Girls' Glee

The Girls' Glee club carried out an active schedule this year, despite the trick played by old man weather. Due to ice and cold weather at Christmas time the annual program had to be cancelled. The girls, however, sang at several assemblies. Again, as is the custom, the chorus sang at baccalaureate services and for the "Gymkanna". This group also was under the direction of Miss Muriel Babler. Yes, altogether the year was truly a wonderful one.

FRONT ROW—Miss Babler, D. Bennett, M. Payne, D. Sinclair, L. Welker, C. Liddell, M. Johns, M. Gillespie, P. Graf, A. Marx, H. Vahey, S. Jacobs, Y. Holcomb, D. Paulson, L. Whitesell, B. Gergen, D. Johns, M. Scott, L. Cox, L. Nash, J. Ecklund, R. Mathews, P. Morrill.

Orchestra

The orchestra this year, although greatly reduced in numbers from orchestras of previous years, has given us many good performances. Under the direction of Mr. Weber and Miss Babler, who acted as assistant director, its sixteen members performed at class plays, style show, Baccalaureate, Gymkanna, and participated in the Operetta.

Band

In its last year under the proficient leadership of Mr. Harold Weber, the band has again proven itself to be one of the busiest and most efficient organizations in school. Aside from playing at games, assemblies, and marching in rallies, the band has given small concerts at two grade schools and has presented its own versatile band show. Unfortunately, losses by graduation will be heavy this year.

FIRST ROW—Mr. H. Weber, J. Bowder, E. Stewart, F. Standifer, D. Noreen, B. Gresli, A. Nelson, D. McKillip, E. Gradin, R. Cason, B. Miller, B. Lane, G. Staffenson.

Senior Class Play

Delving into the lighter dramatics, the senior class chose for its annual class play a three-act comedy called "The Daffy Dills". Mrs. Deusner, senior adviser, took over the duties of directing the play. The cast and director co-operated fully to give a splendid performance.

Junior Play

With Miss Machen again in the producer's chair, the class of '47 turned out a very successful production of Sally Benton's "Junior Miss". Remarkable acting was shown by Lurline McFadden, the Junior Miss, and Dorothy Taylor, her favorite playmate, Fluffy. They were backed by a hard working supporting cast who helped make the play the success it was.

FRONT ROW—D. Taylor, B. Weaver, B. Taylor, J. Cox, F. Karlen, L. McFadden, B. Resare, M. Nelson, B. Erickson.

Honor Students

These girls and boys are Gresham Hi's "brains". Each person here has attained either the highest honor, which means grades in five subjects above 90; honor roll, four subjects above 90; or honorable mention, three subjects above 90, one above 85. A scholarship pin is awarded to those who earn an average semester grade of 90 or better. Two years of such work rewards the student with a guard attached to the original pin. The third year gives a pearl and the fourth year completes the pin with a ruby. The honor roll is published every six weeks.

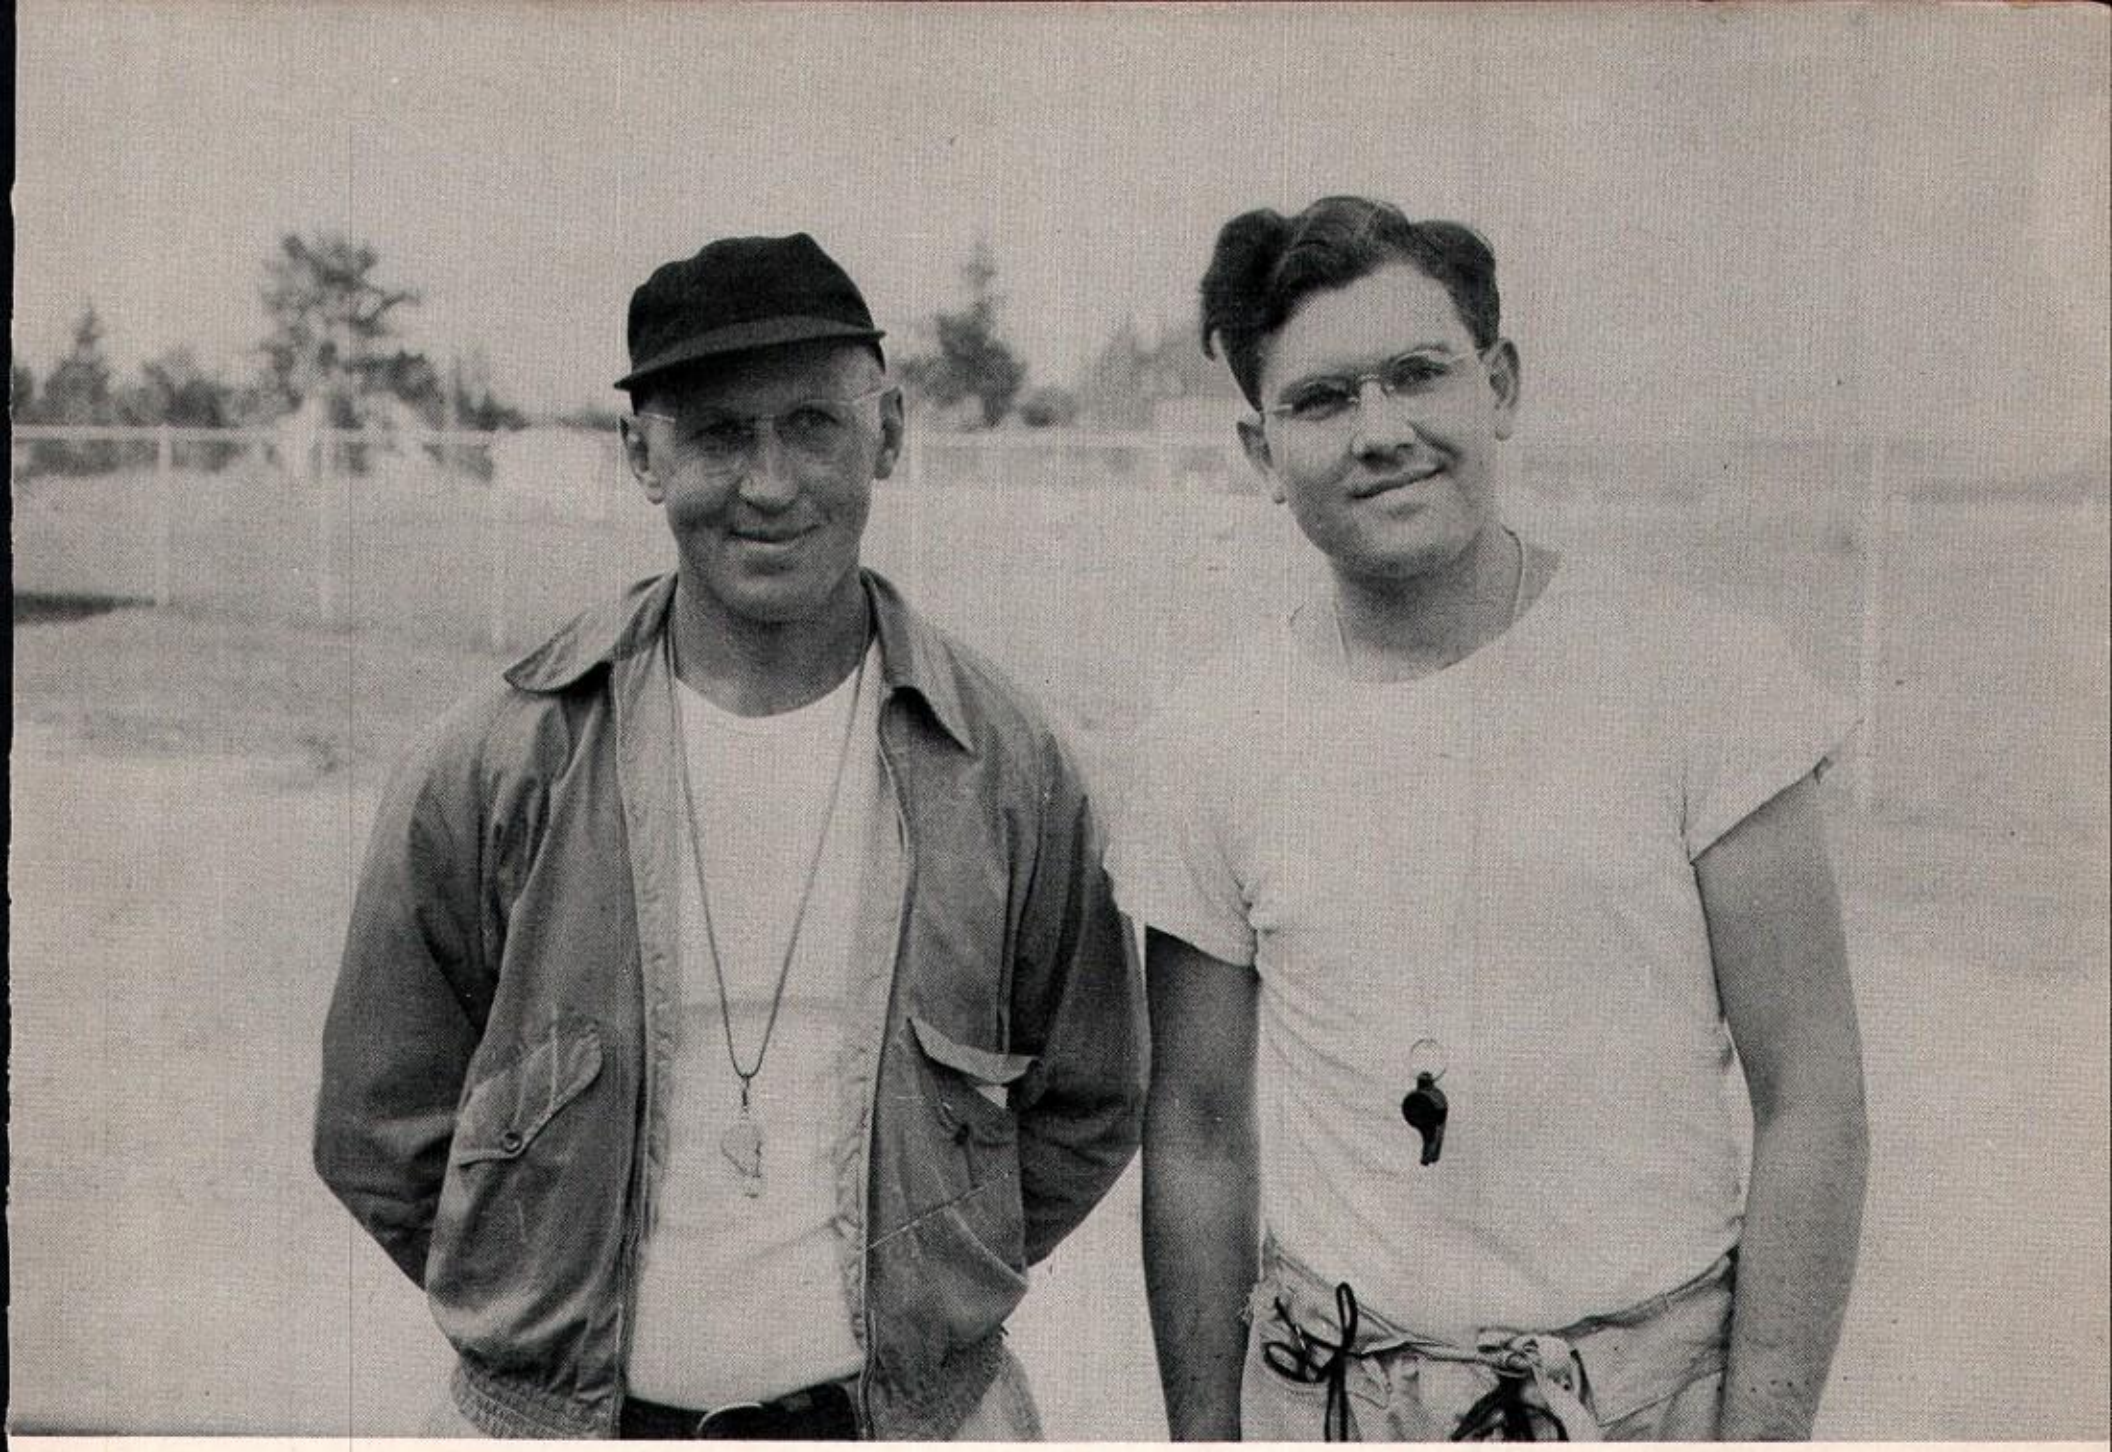
PORTS



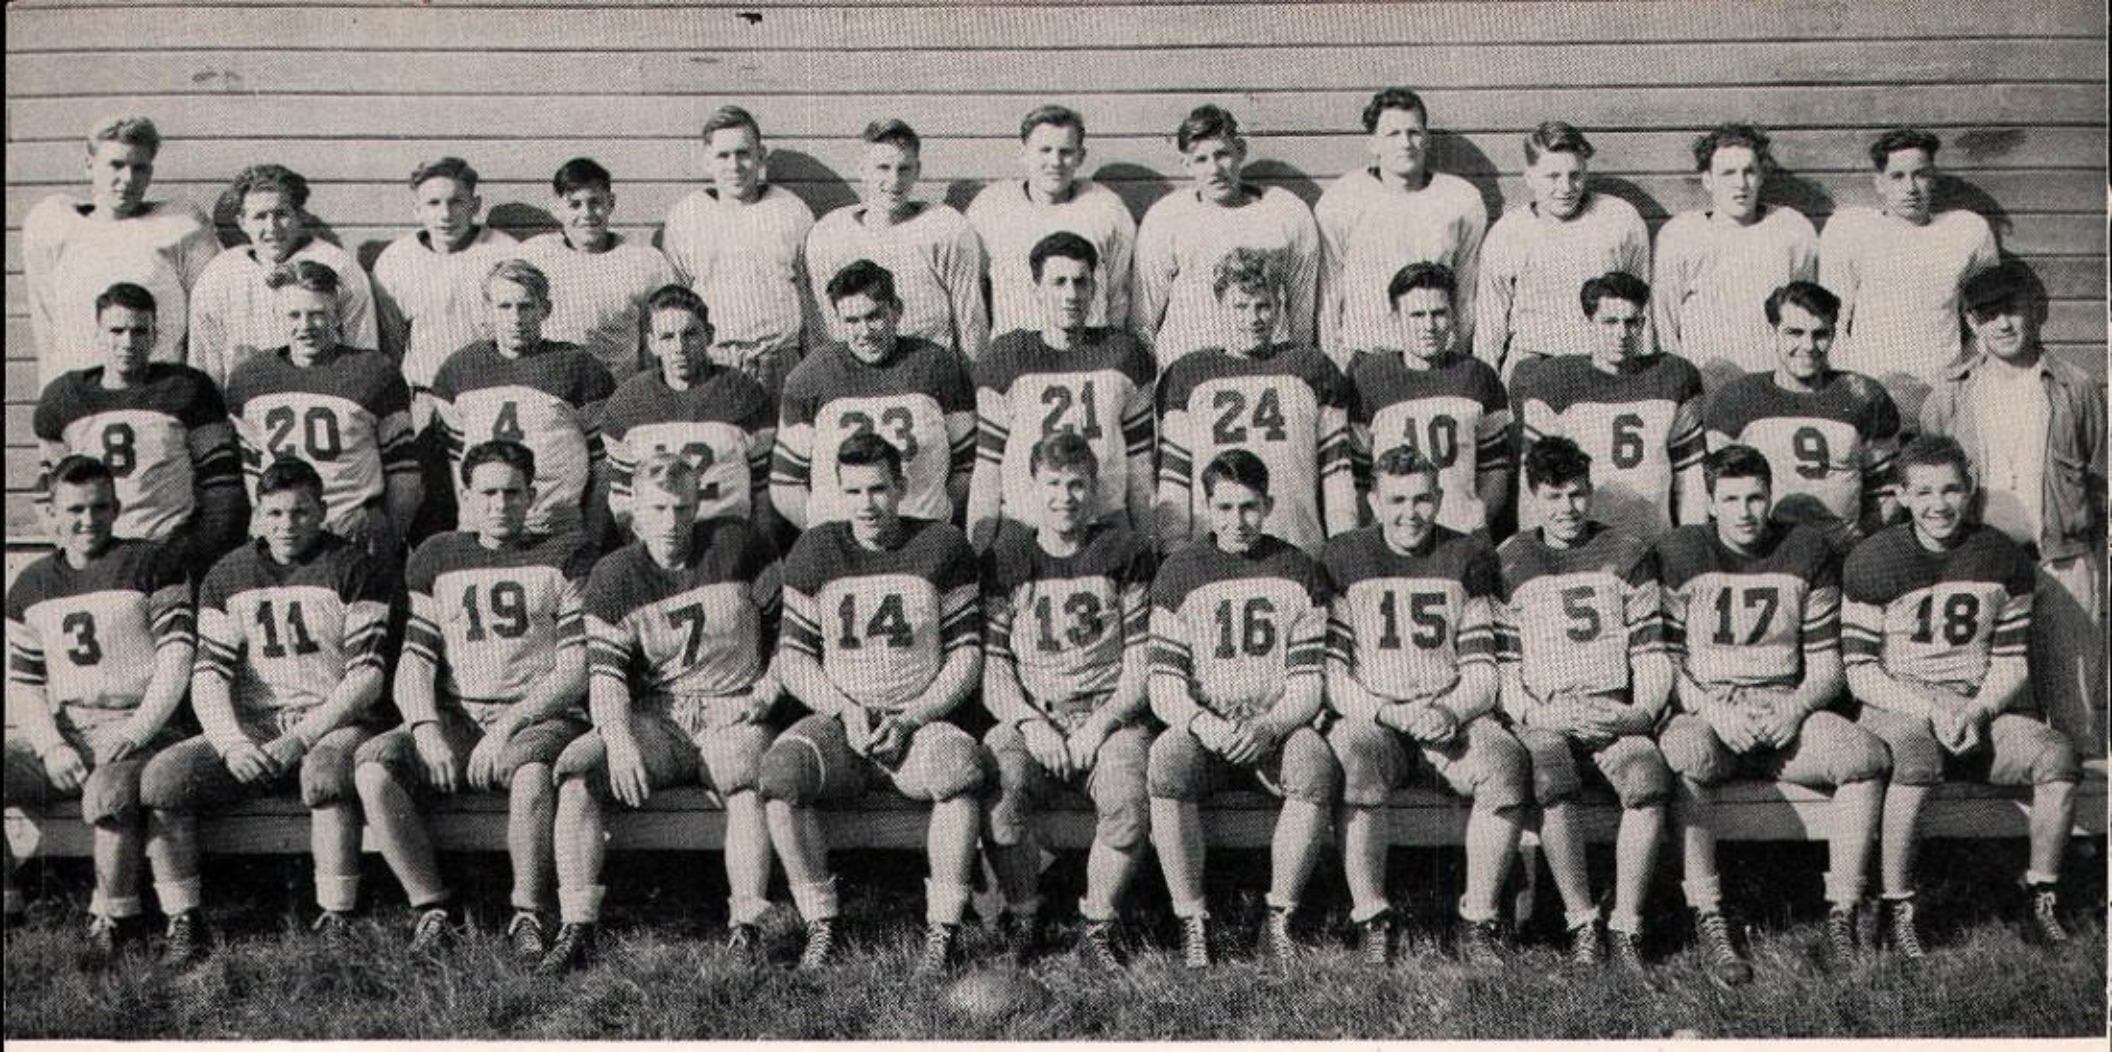
FRANK BARTHOLOMEW THOMAS LEUPP

Coaches

With pride, we dedicate this page to the two men who have made possible through their untiring efforts a well-rounded athletic program. Working with the available material, they have given to Gresham teams of which she can be proud.

Mr. Thomas Leupp, a newcomer to Gresham, proved his ability as a coach when he took command of the Junior football squad this fall. He brought the Gopher varsity through a successful basketball season, winning the runner-up's title in the district 13 championship. This spring he very capably handled baseball.

Mr. Frank Bartholomew, as we all know, has been a big factor in Gresham Hi's athletics. He has successfully coached our varsity football, Junior basketball, and track this year, but all for the last time. Beginning next year he will be our new assistant superintendent, filling the vacancy resulting from Mr. Weber's resignation.



FRONT ROW—R. Griffin, V. Morton, D. Sowell, F. Owens, D. Metzger, B. Gregg, J. Brugger, D. Sitzman, R. Staples, C. Christofferson, J. Bingham.

SECOND ROW—M. Lemon, D. Wilson, D. Ruff, H. Siron, E. Simon, B. Ambrose, D. Ham, C. Vawter, Ray Estabrooks, M. Odell, Coach Bartholomew.

Varsity Football

The Gresham gridiron classics were played on the first peace-time footing for three years with all games excepting one being played under lights. With the termination of gas rationing and other war-time controls, unusually large crowds were present to watch Coach Bartholomew's Gophers roll over four of their eight opponents; however, disappointment ranged high due to a seemingly unsurmountable jinx which took its toll of three games, ending our hopes for a chance at the state title.

With the exception of that with Camas, the Gophers held leads going into the last half of every gride encounter this year. The aforementioned jinx enabled Hood River to score 19 points, Oregon City 21, and Sabin 13, all in the last quarter and all for victories over the hapless Gophers.

Thus it is seen the Gophers had the power but not the endurance. The power is demonstrated as the Gresham team scored an over all total of 197 points to their opponents' 90.

Those earning their letters were: Ray Estabrook, Dean Metzger, Dean Sitzman, Carl Christofferson, Burnell Ambrose, Bill Gregg, Dick Ham, Fred Owens, Melvin Lemon, Jaques O'Keefe, Harley Siron, Melvin Odell, Dick Ruff, John Bingham, Dick Sowell, Virgil Morton, and Charles Vawter. Dean Metzger was elected captain.

Varsity Basketball

The Gopher squad blasted through the current season in very commendable manner by chalking up fifteen wins and seven losses. Gresham was runner-up for the District No. 13 title, Central Catholic of Portland being first. Playing hard and strong throughout the schedule, the Blue and White participated in several thrilling duels. The team boasted speed, rugged ability, height, and unerring accuracy, and played an almost impenetrable defense.

Fred Owens, sparkplug of the Gopher team, was at all times a threat to the opposition. Glen Keltner, Burnell Ambrose, and Charles Robinson were invaluable under the backboard with spirited playing and fighting ability. Dick Ham deserves much praise for his constant aggressiveness and hustle. All of these fellows were first-string performers.

Coach Thomas Leupp is to be praised for his fine work, for in his first year he developed a fine team. He proved to be a top coach and the players' friend.

An added convenience came this season in the form of a new electric scoreboard, which was installed just before the District 13 tournament, which was held at Gresham.

Junior Football

"The Baby Gophers", Gresham's Junior football squad, had a very successful season under the guidance of Coach Thomas Leupp. The Junior gridders won four, lost one, and tied one in their six scheduled contests. These games helped fit them with the experience and skill usually needed to make a good varsity. Coach Leupp had over 100 fellows out for the rugged fall sport. He whittled this number down to 40.

Junior Basketball

Gresham's Junior Basketball squad, a team composed of Freshmen and Sophomores of little previous experience, had a very successful season, winning fifteen games and losing three. These players will make up a major part of future varsity squads.

Baseball

Because of eight returning baseball lettermen, Mr. Leupp was able to build a very strong team for this year's diamond season. These boys formed into a hustling ball club in no time and in pre-season play won 2 and lost 1.

The infield was air-tight and always behind their pitcher. The outfield was just as strong and kept many a hard hit ball from becoming scoring material. Strong, seasoned arms of the mound staff was also a great asset to the team. Most of the pitchers were from last year's team and were well aware of their duties.

There was such an abundance of material this season that Coach Leupp chose some of the Frosh and Sophomore rooks to play on a Junior team. They played several games.

Track

With a nucleus of four returning lettermen, Gene Greiner, Richard Griffin, Melvin Lemon, and Dan Wilson, Coach Bartholomew's cinder men worked hard to make this year's a top track team. Newcomers turned out in droves to answer the Spring call. Up to the date this book was edited only two relays had been held. The district meet was scheduled for Gresham.

The book is completed,
And closed, like the day.
And the hand that has written it,
Lays it away.

Dim grow its fancies;
Forgotten, they be
Like coals in the ashes,
They darken and die.

Song sinks into silence.
The story is told,
The windows are darkened,
The hearthstone is cold.

Darker and darker
The black shadows fall,
Sleep and oblivion
Reign over all .
